ART AND WINE NIGHT AT ANDA COWORK.

On Friday night we welcomed our coworkers and friends into our space for a night of wine and crafts. We enjoyed music and got creative!

Everyone went home with new connections and a new painting of their own! Serving as a lovely memory of the night.

If you missed out on this event, fear not – there's more in store for you. Keep your eyes peeled for details on our upcoming gatherings. We're excited to continue this journey of creativity and connection with you!

OUR COWORKERS EXPERIENCE

'Working from a coworking space has been a really good way to stay focused on my work whilst also building connections. I've been enjoying taking part in the activities during my work day too!'

-Allen Samuel, 26, Dublin, Ireland.

WE BROUGHT FUN INTO THE OFFICE!

We are delighted to announce a new initiative to enhance your workspace experience – Board Game Wednesdays. Commencing this month, every Wednesday, we will be providing an array of board games in our communal areas.

This program aims to promote a healthy work-life balance by offering an opportunity for members to take a break from their usual routine and engage with one another in a new way.
